Read the following story and underline all the comparative forms you can see: (you have three as examples)

► The Football Game

Yesterday my brother and I went to see a football game. We watched our two favourite teams, the Eagles and the Hawks. It was the second week of the season and the day was much colder than the week before. We arrived at the stadium at 11:30 am, which is a little earlier than usual. We were excited because I love the Hawks and he loves the Eagles.

The seats were good, but I wanted something closer to the field. However, we sat and enjoyed the game. Well, we

enjoyed it until we started arguing. My brother and I both think our team is better than the other team. He always says to me that the Eagles are faster, stronger, and smarter than the Hawks. I never agree. On this day, he was wrong. The Hawks played a lot better than the Eagles. They looked stronger and tougher than the Eagles. The won by 15 points.

One thing I didn't like was that the food and drinks were much more expensive than other places, and tasted much worse. I was surprised that a hot dog cost \$2, which is more expensive than the \$1.10 pay outside the stadium. Also, the hot dog was smaller than normal hot dogs. So I was a little sad about my meal, but I planned to get something tastier after the game.

Driving home I talked about how much better my team was than the Eagles. My brother was getting angry, and I noticed he was driving a lot faster than usual. We were lucky he didn't crash. Finally he saw a police car so he started to drive slower. We arrived home around 7:00 pm, which is later than normal. Usually we get home at about 6:00 pm.

Overall, it was a great day. I love going to the game with my brother. Even though we argue, I wouldn't want to watch the game with anyone else!

Read the following story and underline all the comparatives and superlative forms using different colors:

The Rodriguez Brothers Circus is in town! Every year, the circus arrives and stays for a week. Then they go to the next town.

There are not many animals in the circus. People told the circus that they didn't like seeing animals performing. There is an elephant called Jacob and two old lions, Hatie and Meg.

Most of the performers are human! There is Leopold, The Strongest Man In The World. His father also worked in the circus, but Leopold is stronger than him, he has bigger arms and bigger legs too! Leopold performs his act every night for the town's people who come to watch.

After you underlined comparatives and superlatives, answer this exercises writing TRUE or FALSE, according to the text.

1. The circus comes to the town twice a year. _____
2. There are not many animals in the circus
3. People don't come to the circus because of the animals.
4. Leopold and his father work in the circus together.
5. Leopold's father is the strongest.

7. Sue-Ellen wants to be a clown in the circus.
8. Pit is the father of the other two clowns.
9. The three clowns wear identical shoes.
10. Everyone is very tired on the day that the circus leaves town

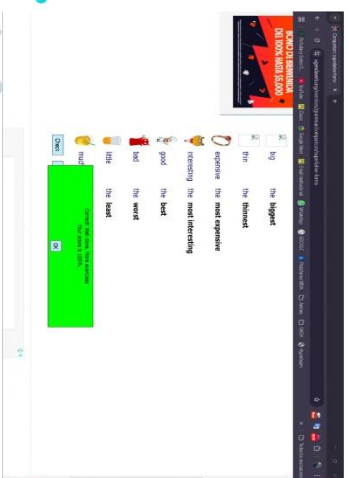

Another performer is Clara. She says she has the longest hair in the world. It's about 4 metres long! She also has a daughter who works in the circus. Her name is Sue-Ellen. Her hair is a lot shorter, but she wants to grow it as long as her mother's. Sue-Ellen helps look after the animals and she's also learning how to juggle

The highlight of the circus are the three clowns, Pit, Pot and Pat. They all wear long red shoes, but Pat's shoes are the longest and sometimes, he falls over because they're so long! They perform for about twenty minutes and they are always the most popular act with the audience, especially the children. Many people think Pit, Pot and Pat are three brothers, but Pat is older than the other two - he's their father! He's the oldest clown in the country, but he has a lot of energy.

Tomorrow will be the longest, most tiring day because the circus is leaving town and everything must be packed away into big trucks.
